DOCTORATE IN SOCIAL REPRESENTATIONS,
CULTURE AND COMMUNICATION

RESEARCH WORKSHOP "REPRESENTATIONS OF SELF, OTHERS, AND SOCIETY IN A CHANGING WORLD"

Most issues that societies deal with nowadays are linked to how people see themselves and others: communities work hard to strengthen democracy and citizenship, embrace diversity, fight inequality and bias, and manage public health and environmental hazards.

The purpose of this workshop is to exchange and converse about concepts and studies regarding the symbolic and representative aspects connected to one or more significant difficulties.

Chairperson:

Alessia Rochira

Speakers:

*Mario Longo, Terri Mannarini, Loris Vezzali,
Caterina Arcidiacono, Roberto Fasanelli,
Sara Bigazzi, Amir Zuccalà, Marcos Barszcz*
